Day 2 – Guided Tour of Niagara Falls – Niagara Falls Observation Tower – Maid of the Mist Boat Tour – Cave of the Winds – Winery Tour & Tasting – Dinner at Top of the Falls Restaurant – After breakfast, meet your local guide for a day of Niagara Falls touring. Start with a visit to the Niagara Falls USA Observation Tower provides the only panoramic view of all three Niagara Falls, including the American Falls. Elevators at the Observation Tower provide access to the base of the gorge and the boarding site for the Maid of the Mist boat tour. For a multi-sensory view of the American Falls, visitors can go to the base of the gorge and climb a series of stairs to the Crow's Nest, where the views come with complimentary air conditioning and blasts of misty Niagara spray.

Next, enjoy the Maid of the Mist, one of the most famous boat rides in the world, will take you up close to the Falls where you will feel the spray and hear the thunder. For more than 150 years the Maid of the Mist has taken countless visitors through the foam and spray at the bottom of Niagara Falls. Get ready for damp, but thrilling ride, on their brand-new electric pontoon boats.

Then it's time for a thrilling walk on Niagara Falls' wild side. The spectacular Cave of the Winds Tour takes visitors into a stormy mist zone, where "soaking up the experience" takes on new meaning! Your journey begins with an elevator ride 175 feet down into the Niagara Gorge. Geared up in a souvenir rain poncho and specially designed sandals, your group will follow wooden walkways along Niagara River to the Hurricane Deck, just a few breathtaking feet from the torrents of Niagara Falls. Here, rushing Bridal Veil Falls creates tropical storm like conditions. Talk about a rush! Nowhere else on Earth gets you closer to the Falls!

After a break for lunch on own, the afternoon features a winery tour and tasting at an area winery. Niagara Falls USA is home to a burgeoning wine region in a truly unique atmosphere. The cool climate and rolling hills and valleys make for a one-of-a-kind terroir, home to small and large producers alike — and all kinds of grapes. It is now home to over 22 wineries, breweries and cideries.

Dinner this evening is included at Top of the Falls Restaurant. As the only restaurant overlooking Niagara Falls, Top of the Falls Restaurant offers a one-of-a-kind dining experience. The Top of the Falls menu offers modern American cuisine and classic dishes, and every dish is accompanied by spectacular waterfall views. The venue, located within Niagara Falls State Park, on Goat Island, overlooks Terrapin Point, and features panoramic views of Horseshoe Falls through floor-to-ceiling windows and outdoor dining decks. Return to Seneca Niagara Resort & Casino for the evening.
