Experience It! The Amalfi Coast

The Amalfi Coast is a favored getaway for Italians and vacationers alike — everyone seeks out its relaxed atmosphere and Mediterranean sunshine. The town of Amalfi itself is a historic center home to a towering marble cathedral and atmospheric piazzas. Amalfi was formerly a thriving trading hub, rivaling that of Venice. As a Maritime Republic, the town made its money through import and export, a legacy still interwoven into its culture today. Although Amalfi is the coast's namesake origin, other towns along the rocky cliffs draw visitors from near and far. Find Sorrento, Positano, and more, all exuding the Amalfi vibe of winding roads, pastel-colored houses, and pebbly beaches.

Important Tour Information:

Book Now rates valid until Oct 16, 2026, valid on air inclusive packages only.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Travel with an average of 37 people (maximum of 44).

Positano is only accessible on foot and requires the ability to climb up and down multiple flights of stairs without the assistance of railings.

You should expect large crowds at each location, with long waiting times at ferry embarkation points where there is no seating available. You will be required to wait in line without seating and under the sun without access to shaded areas.

In Rome you must be prepared to walk approximately 3 miles (4.8 kilometers) to complete each one of the included guided walking tours, with no opportunity to sit.

Italy imposes strict limits on tour bus circulation, and mandatory drop off and pick up points, especially in historic areas such as Rome, Sorrento, Positano and Amalfi. The same applies for the optional tour sightseeing outlined in the itinerary. All these areas require navigating large crowds, extensive walking over cobblestones, uneven and often narrow sidewalks, and occasionally unpaved terrain with loose gravel.

The archeological site of Pompeii is entirely pedestrianized, and the only access is via a steep ancient Roman street which is uphill and paved with huge, slippery cobblestones. Therefore, the site is not "accessible" by disabled standards. Throughout the archeological site, you will need to negotiate large cobblestones and steep sidewalks. There are NO vehicles inside the site, which is extremely vast.

The included activities are not suitable for travelers using motorized scooters, wheelchairs, walkers, or Zimmer-frames.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Most shops and businesses in Italy are closed on Sundays and on national/religious holidays.

****Sailing along the Amalfi Coast is sea and wind dependent.** The ferry boats to Positano operate between April 1 and October 31. If you travel to the Amalfi Coast between November 1 and March 31, or in case of adverse weather conditions, the visit will be operated by bus, and you will not visit Positano, which is not accessible by motorcoach. The Amalfi Coast drive is along a very narrow, winding road. Travelers prone to motion sickness and/or seasickness should take the proper precautions.

Days of features are interchangeable.

*****The optional boat trip to the isle of Capri is dependent on sea and wind conditions.** According to the weather conditions, the ferry boat ride may depart from Sorrento or Naples. The length of the sailing depends on the port of departure, varying between 30 and 50 minutes each way. In case the scenic boat ride around the isle of Capri cannot operate, you will visit Anacapri village instead. Travelers prone to motion sickness and/or seasickness should take the proper precautions.

***During your stay in Sorrento, standard accommodations at the Hilton Sorrento Palace Hotel are in rooms facing the road and hillside.** Upgrades to superior rooms with balcony and partial view of the coastline and garden are available at an additional cost. Some departures will be accommodated in other Sorrento hotels which may not offer coastal view upgrades. Please inquire at the time of booking.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include round-trip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

Our air travelers will depart from Naples airport.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised, many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.
