**Day 1: Thursday, April 16, 2026 Overnight Flight** Venture to vineyards, Venice, and Verona. It's almost time to unpack once and journey among the jewels of Northern Italy.

**Day 2: Friday, April 17, 2026 Treviso, Italy** Arrive today in Treviso, hometown of Italy's most iconic dessert – tiramisu. Treviso also has a long history tied to the nearby island city of Venice. Founded as a mainland (*terraferma*) settlement, Treviso was an early outpost with the look and feel of Venice. With your feet on “firm ground,” settle into your home for the next seven nights — a recently refurbished hotel in the center of Treviso. After unpacking your things in your modern-style room, take some time to explore the lively neighborhood. Meet your fellow travelers for dinner, while a local pastry chef shows you a few tricks for preparing some sweet tiramisu. (D)

**Day 3: Saturday, April 18, 2026 Treviso** Start your day with a walking tour in the city commonly called “Venice on the Mainland.” Take in the Old Town's gothic-style windows, marble latticework, and the Sile and Botteniga rivers – humble elements all reminiscent of its famous island neighbor. After your guided tour on foot, take some time to explore more of Treviso at your own pace. Maybe you'll wander through the weekly vegetable and housewares market. Or you can check out the picturesque Canale dei Buranelli and nearby *pescheria*, where fishmongers have set up shop for centuries. When you stop for lunch on your own, consider noshing on *radicchio trevigiano*, an autumnal delicacy consisting of red chicory grilled with a generous helping of extra virgin olive oil. Enjoy your free time and work up an appetite, because tonight you'll dive into regional foods and Italian wines at a welcome dinner with your fellow travelers. (B, D)

**Day 4: Sunday, April 19, 2026 Verona** Verona (UNESCO) is for lovers. After a two-hour bus ride, find yourself in the romantic city of *Romeo & Juliet*. In Verona, **it's your choice!** Explore Verona's painted houses during a walking tour of the Old Town -**OR-** stroll along the town's riverbanks in search of its bridges and lesser-known monuments. No matter what you choose, you'll catch a glimpse of the city's must-sees: Juliet's balcony and the impressive exterior of the Arena, the ancient Roman amphitheater. After, enjoy some free time to explore Verona how you'd like. Whether you're following in the footsteps of Shakespeare's most famous dramatic characters or retracing Italian history, savor time wandering in Verona's medieval city center. After lunch on your own in the city, return to your hotel in the late afternoon to relax. (B)

**Day 5: Monday, April 20, 2026 Murano Island - Venice** Board the coach and head to Venice (UNESCO). You'll trade wheels for water and take a boat to the isle of Murano. Famous for its glass-blowing foundries, Murano's history with glassmaking dates back 1,500 years. A local craftsman will share the intricacies of this age-old trade during a glass-blowing demonstration. After, set sail for the area surrounding St. Mark's Square. Take in the Basilica and the ornate Gothic façade of Doge's Palace. During your free time, consider an optional gondola cruise to experience Venice's most famous pastime. (B)

**Day 6: Tuesday, April 21, 2026 Asolo** Get to know a hilltop haven for artists today in Asolo. After your Tour Manager helps you get acquainted with the village during an orientation walk, enjoy some free time. Find inspiration and trace the steps of author Ernest Hemingway, poet Robert Browning, composer Igor Stravinsky, and many other famous virtuosos throughout history. Later, continue your journey into the rolling hills of Italy's Prosecco region (UNESCO) for a visit to a local vineyard, where you'll taste the region's sparkling specialty. Roll up your sleeves and learn how to make a traditional pasta recipe under the expert guidance of a *bona fide* Italian *nonna* (grandmother). Enjoy your pasta dish with a tasting of wines, toasting to *la dolce vita* - the sweet life - in the Venetian countryside. Return to your hotel in the late evening. Rest well tonight; tomorrow is a full day exploring the Dolomites. (B, D)

Reminisce on your mountain adventure tonight on your way back to the hotel. (B, L)

**Day 8: Thursday, April 23, 2026 Bassano del Grappa** Begin your day with a trip to the quaint town of Bassano del Grappa. The town's name is associated with the locally produced grape-based

schnapps. Explore its cobblestoned piazzas and see the impact the beverage has had on the town, including the ancient distillery in one of the pillars of the historic Palladian Bridge. Take some time to wander around the town and grab a bite to eat for lunch (maybe paired with some *grappa*?). Tonight, step back in time at a classic Venetian villa. Tour the sprawling villa and its gardens, still owned by the descendants of a noble family of Venice. After you follow the family's history within the villa's walls, gather with your fellow travelers and savor Venetian dishes prepared with fresh local ingredients at this evening's farewell dinner. (B, D)

**Day 9: Friday, April 24, 2026 Treviso - Tour Ends** It's time to say *ciao, Italia*. Have a *buon viaggio* back home with fond memories of Northern Italy. (B)

### Experience It! The Dolomites

The Dolomites are a mountain chain with UNESCO distinction, noted as one of the most beautiful mountainous regions in the world. Eighteen of its peaks are over 10,000 feet tall. Composed of volcanic and dolomitic rock, these Italian Alps have a gray appearance that can fade into a pink color at dusk. The mountains have multiple resort towns nestled among the peaks, with Cortina earning the nickname "the Pearl of the Dolomites." Cortina has played host to the 1956 Olympics, is queued up as a co-host for the 2026 Winter Olympics, and has played the backdrop for notable feature films, including *The Pink Panther* and the James Bond movie *For Your Eyes Only*.

**The overall activity level of this tour is a level 3.** This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

**Travel with an average of 37 people (maximum of 44).**

We are visiting areas which require the ability to walk over cobblestoned streets. Venice is not accessible to vehicles and requires navigating large crowds, narrow streets and climbing over multiple bridges with steps up and down.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

The weather in the Dolomites is changeable and prone to strong winds, sudden fogs, low clouds, and downpours. The average temperature in the Dolomites ranges from 41 Fahrenheit (5 Celsius) in spring and fall, to 65 Fahrenheit (18 Celsius) in summer. Temperatures can drop suddenly to below freezing point. For your comfort we recommend packing a warm fleece, scarf, hat, and a pair of gloves.

In Italy, some of the most unique sightseeing require accessing locations that restrict motor coach access, especially in historic areas such as Verona, Venice, Asolo and Bassano.

When operating, the cable car ride will take you to an elevation of 7,000 feet above sea level (2120 meters).

\*You will depart the hotel at around 8:00 a.m. and return around 7:00 p.m. The day includes approximately 6.5 hours of driving, of which approximately 4 hours will be on scenic, but winding mountain roads. Travelers prone to motion sickness should take adequate precautions.

\*\*The Faloria cable car is closed for maintenance between the 2nd weekend of April and the last weekend of May, and again between the 3rd weekend of October and the last weekend of December. If travelling during those periods, you will spend additional time in Cortina.

Days of features are interchangeable.

Most shops and businesses in Italy are closed on Sundays and on national/religious holidays.

Agility is required to board the gondola boats if participating in the optional tour.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.
